A Message From Sarah Delano Pavlik 2008 Chair

Welcome to the Art Fair!

Thank you for being a part of the 47th Springfield Old Capitol Art Fair. This year's Honorary Chairs are Dr. Mark Puczynski, Medical Director, and Peggy Curtin, Administrative Director, of St. John's Children's Hospital. St. John's Children's Hospital has

been a great supporter of the Fair for many years, and we are delighted to have their representatives serve as our honorary chairs.

I am very proud to be the Chair of the 47th annual Springfield Old Capitol Art Fair. During my involvement with the Fair I've been privileged to meet so many wonderful people—including attendees, exhibitors and volunteers. As much as I love the wonderful art, it's the people who make this such a great event. But it's the wonderful art that keeps us coming back year after year. My favorite Art Fair moments all center around discovering that new "must have" piece or the new and exciting exhibitors. It's all been very special for me, and I couldn't be happier to share it with each and every one of you.

Most importantly, I would like to express my deep appreciation to all those who have helped make this year's Art Fair a success. We could not do it without our exhibitors, hard working volunteers, individual and corporate patrons, city officials, dedicated board members and tremendous community support. It's thanks to their continued hard work that we are able to bring you one of the area's premier cultural events. I'd like to also extend my personal thanks and welcome to all who are visiting this year's Fair—especially our first time visitors.

The Springfield Old Capitol Art Fair Board of Directors is proud to bring this event to the people of Springfield and surrounding communities. I hope that after your visit to the Fair you love it as much as I do. Please enjoy your weekend and the artwork!
